Welcome to the 3rd International Symposium on Intelligent Technology for Future Transportation (ITFT 2026)! We are excited to announce that the symposium will be held on October 20-22, 2026 in Glasgow, United Kingdom. Building on the success of the inaugural ITFT symposium held in Helsinki, Finland in 2024, London, United Kingdom in 2025, this third edition aims to continue the legacy of fostering innovation and collaboration in the field of intelligent transportation.

On behalf of the organizing committee, we sincerely invite you to join us at ITFT 2026 to explore the cutting-edge advancements in intelligent transportation. We are confident that the conference will enrich your academic pursuits and also provide an enjoyable experience of the vibrant culture in Glasgow. Together, let's embark on this exciting journey to create a smarter, greener, and more interconnected transportation landscape.
